Reporting for Student Portion of the CARES Act Emergency Relief Fund

The Coronavirus Aid, Relief, and Economic Security Act (“CARES Act”), March 27, 2020, directs institutions receiving CARES Act funding to submit a report to the Secretary of Education describing the use of funds distributed from the Higher Education Emergency Relief Fund (“HEERF”).

The CARES Act requires institutions to use no less than 50 percent of the HEERF allocation received from the CARES Act to provide Emergency Financial Aid Grants to students for expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student’s cost of attendance such as food, housing, course materials, technology, health care, and child care).

On April 9, 2020, the Department published documents related to the Emergency Financial Aid Grants, including a [letter](#) from Secretary Betsy DeVos, a form [Certification and Agreement](#) for signing and returning by institutions to access the funds, and a list of [institutional allocations](#).

1. An acknowledgement that the institution signed and returned to the Department the Certification and Agreement and the assurance that the institution has used, or intends to use, no less than 50 percent of the funds received under Section 18004(a)(1) of the CARES Act to provide Emergency Financial Aid Grants to students.

Santa Rosa Junior College signed and submitted the Certification and Agreement form on Friday April 13, 2020.

2. The total amount of funds that the institution will receive or has received from the Department pursuant to the institution’s Certification and Agreement [for] Emergency Financial Aid Grants to Students.

On Monday, April 27, 2020, Santa Rosa Junior College received \$2,971,421 to be distributed as Emergency Financial Aid Grants to Students.

3. The total amount of Emergency Financial Aid Grants distributed to students under Section 18004(a)(1) of the CARES Act as of the date of submission (i.e., as of the 30-day Report and every 45 days thereafter). **This is being updated to report quarterly as per new guidance from the Department of Education.**

4. The estimated total number of students at the institution eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act.
 - **At the passing of the CARES Act on March 27, 2020, we interpreted Cares Act language to include the entire College enrollment of 19,309 students as eligible for an Emergency Financial Aid Grant.**
 - **While HEERF-student share dollars are not Title IV financial aid, The Department of Education’s April 21, 2020 guidance states that students must meet requirements in Section 484 of the Higher Education Act of 1965 in order to receive HEERF emergency grants. That reduced the total number of COS students eligible to receive Emergency Financial Aid Grants down to only 4122.**

5. The total number of students who have received an Emergency Financial Aid Grant to students under Section 18004(a)(1) of the CARES Act.
